PROJECT SUBMISSION (No More Than Two Pages)

Attach a written description of the completed project or achievement and its contribution to the preservation of Western New York's historic character. For specific projects, identify the nature of the project, the tasks required to complete it, and provide beginning and ending dates (use building permit dates, if available).

Particularly note the existing condition and how the project (a) improved the conditions, (b) what challenges were met, (c) any design solutions used, and (d) how the project complies with historic guidelines. For individual/group achievement, succinctly describe reasons for nomination with sufficient information to illustrate the nominee's contributions to preservation.

Please also include a one paragraph summary of the project that can be used in PBN promotional material.

1. SUPPORTING DOCUMENTATION

Photographs of the project are required to be submitted in the body of the application. Please submit a minimum of three and a maximum of ten illustrating the project and indicate which photograph you prefer to have used for all

Preservation Awards related media. For restoration, rehabilitation, and adaptive reuse projects, include “before and after” photos. Please provide the source of historic photos and any photographer credits. No materials will be returned. Preservation Buffalo Niagara reserves the right to use the images in publications, on its website, and in other databases.

2. NOMINATED PROJECTS WILL BE EVALUATED USING SOME OR ALL OF THE FOLLOWING CRITERIA:

- a. Quality of the completed project
- b. Degree of difficulty of the project
- c. Specific problems overcome
- d. Effect on surrounding neighborhood and/or contribution to local community
- e. Imaginative solutions to design challenges
- f. Experience with preservation projects
- g. Status at project start vs completion
- h. Compliance with historic guidelines
- i. Community engagement
- j. How well the project addresses ongoing preservation issues
